

Microsoft AEP Orientation Programme

On September 11, 2019, **Microsoft AEP 9ledgepro conducted** an orientation programme at Mata Sahib Kaur Auditorium of our College. The key points covered in the event:

- 1) Make students aware about internships and full time campus placement opportunities being offered by them to the students of Mata Sundri College for Women.
- 2) **They elaborated on the Microsoft authorised Education Partner programme that authorises partners to purchase and resell academic priced Microsoft offers and products to Qualified Educational Users (QEUs).**
- 3) Details about **Microsoft Global Certifications.**
- 4) Information about **Microsoft Student Partner** which is a programme done in the campus and being a part of MPS students can represent our campus in Microsoft.
- 5) The importance of Microsoft certification was discussed in order to avail internships and placements.
 - ❖ At the end, in Q&A session, students interacted with the resource persons and resolved their doubts.
