

REPORT- Webinar by IGNITE, B.El.Ed.

Theme: NON CONVENTIONAL ENERGY RESOURCES

On 24th July 2023, the Department of Elementary Education of Mata Sundri College for Women (University of Delhi) organized a **Webinar**, under the theme "NON-CONVENTIONAL ENERGY RESOURCES" through google meet as part of the celebrations of Azadi ka Amrit Mohatav. This activity was an initiative for compliance with the guidelines by NCTE vide order no 1-2/2020/MS/NCTE dated 18.01.2023. Dr. Uzma Nadeem, Assistant Professor of the Department of Environmental Studies at Mata Sundri College for Women, University of Delhi was the invited speaker for this webinar. A total of 56 students registered for this webinar from the department. Student advisor of the department Ms. Divya Sharma convened it.

Initially, Ms. Gurleen Kaur (CR, 3rd year, IGNITE) presented a welcome note and introduced the speaker. The session was open for the first and third-year students of B.El.Ed. The speaker began by introducing the two types of resources- conventional and non-conventional. The topic then proceeded to discuss the method of extraction of resources, their usage, impact on the environment, implementation challenges, and lastly, counting both the advantages and disadvantages of the resources and weighing the pros and cons of using each type. The speaker also emphasized being correct in one's own conscience and preserving and taking preventive measures for resources.

In the webinar, students also came to know various other methods for saving resources and how some of the resources like solar panels, water conservation, and many other methods are followed by our college. She concluded the session with a discussion of the participants' queries and observations. The session turned out to be an enriching, engaging, and informational one for the students.
