

## Workshop on Copyright issues and Open Educational Resources (OER)

An online Workshop on Copyright issues and Open Educational Resources (OER) was organized by the department of Elementary Education for its students on 8th February, 2021. The resource person Dr. Nisha Singh (Deputy Director, COE, IGNOU, New Delhi) is skilled in E-Learning, Lecturing, Educational Technology, Instructional Design, and Curriculum Development. She oriented the participants about various forms of Copyright and related issues. Also she familiarized the students with open education resources to be utilized for their academic and research purposes.
