

Workshop - Knowing and Learning Mathematics for Teaching

Workshop on "Knowing and Learning Mathematics for Teaching" was organised on 17th November 2020 for the students of B.El.Ed. III & IV year. The workshop helped the Pre service teachers to understand the step by step process of Mathematical concepts in a simple manner. The concepts covered in the workshop were Number sense, Fractions, Place value etc. Ms. Sarita Mathur (Educational Consultant & Mathematician) was the resource person for this online workshop that was coordinated by Dr. Aarti Mathur and Dr. Jasmeet Kaur.
