# Webinar on "ABC of Cyber Footprints"

The department of Elementary Education organized a Webinar on "ABC of Cyber Footprints"on 5th November 2020. Cyber footprint is the data trail you leave with everything you do online. From your smartphone to the Internet and social networks, your data is being stored. Everyone is relying on online transactions and some get duped also. Youth are getting caught in this web and they don't know the way out. The resource persons, Ms. Pooja Malhotra (Cyber security counselor & Author) and Mr. Sangam Singh Kochar (Advocate, Supreme Court) made the audience aware about cyber laws and the correct usage of it.
