

REPORT ON DOCUMENTARY SCREENING EVENT

On 21st March 2023, The Department of Elementary Education of Mata Sundri College for Women (University of Delhi) organized a Documentary Film Screening for B.El.Ed. 3rd & 4th year students on "**Tribal Empowerment**" within the college premises as part of the celebration of Azadi ka Amrit Mahotsav. This activity was an initiative as compliance with the guidelines by NCTE vide order no 1-2/2020/MS/NCTE dated 18.01.2023.

It was well organized by B.El.Ed student council IGNITE Members -Ms. Ayushi Khansali (President) , Ms.Jasmine Kaur (Secretary), Ms.Manmeet Kaur (Joint Secretary), Ms. Gurleen Kaur (CR , 3rd Year) , Ms.Nikki Chhabra (CR , 1st Year) under the guidance of Ms. Divya Sharma & Dr. Shubhneet Kaur (Student Advisors, B.El.Ed.) and Dr. Aarti Mathur (TIC, B.El.Ed.)

In the Documentary screening the students saw "**A DOCUMENTARY MOVIE ON MADHYA PRADESH BAIGA TRIBE**".

In the movie the students learnt many things about the Baiga Tribe like how the tribe changed themselves according to the environment, but they don't change properly according to the environment. Meanwhile in every country there are some tribes but more tribes are found in Madhya Pradesh, this tribe is known as Baiga Tribes. They make household items. They make honey from forests and collect items from forests also. They want to solve the problem of water so they made hand pump, well, river etc. Along with rural planning in Madhya Pradesh they introduced Baiga Development Authority. It was not easy to open a school in that village , so they found a local educated teacher and started the leading process. They opened 735 local schools in the village. So, those who belong to the baiga tribe are involved in local school to learn new things. After some time they go to proper schools and learn proper thing's.

Women of Baiga Tribe were welcomed by SHG. According to this group Food Processing, Cotton Industry, Small Irrigation Facility, Fishing were involved in this. Government opened hospitals and provided health care to the tribal people for their welfare.

The documentary was very knowledgeable, and everyone enjoyed it along with learning about how tribal empowerment is being done with concentrated efforts of government and self help groups .
