Workshop in collaboration with IMS MBA CELL

MBA Cell of Mata Sundri College for Women (An initiative by IQAC) in collaboration with IMS conducted a workshop on "How to crack CAT" on October 12 at 12:00 P.M on an online platform zoom . The resource person were from IMS named Mr. Shaminder Singh , Mr. Ankit Srivastav and Mr. Abhishek Tripathi . The overall session was very informative , attractive and enriching for the participants . The workshop was a successful one with more than 100 participants .

The workshop started with almighty god's blessing and an introduction to our cell and some achievements of our honoured principal . Mr. Shaminder Singh gave an overview of the whole umbrella of exams and also discussed the grim reality of the current era and dilemmas faced by a student . He made this session an interactive one by having active student participation . He focused on explaining various sections of the CAT exam briefly .He also discussed the strategies to be followed to be a good aspirant and how to follow them .

Mr. Ankit Srivastav focused on the VARC Section . He discussed briefly about verbal ability and various sections in verbal and how to deal with questions . He also gained active participation by asking questions and quizzes related and similar to CAT and how to choose appropriate summary and strategy to ace VARC .

Mr. Abhishek Tripathi discussed QA and DILR . He also arranged a quiz and asked students to answer questions . He also spotted light on how logically we can differentiate between

where we are and where we want to be . He also shared some logic and approaches behind mathematics .

The workshop was a successful one with more than 100 participants . It was an enriching and insightful session. The queries were well answered at the end of the workshop . The purpose for strategies for “How to crack CAT 2021” was accomplished .
