

REPORT

MBA Cell of Mata Sundri College (an initiative by IQAC) in collaboration with T.I.ME Conducted a counselling session on MBA as a career option on September 10'2021 at 3:00 p.m. on an online platform zoom. M.s Tarannum Naseem Raza was the resource person (she is professional career counsellor and an engineer as well as MBA graduate). The overall session was insightful and informative for students.

The session commenced with the College principle, Prof. (Dr.) Harpreet Kaur encouraging the students to pursue their interest and guided them regarding how important is it to choose right college for higher studies, the complexity in the admission process and the need to stay well informed and choose right career path for ourselves. Then our resource person (Ms Tarannum N Raza) explained why to go for MBA, about all Important management entrance exams, their eligibility, types of MBA , top B-schools in India and abroad, placement opportunities in B-schools & Tips on how to prepare well for these exams.

She guided the students on each of these topics in brief and explained about how soft skills plays a vital role in professional life and the need to keep updating ourselves. She urges the students to prepare well for exam and aim for top B-schools. She highlighted the importance of mock test and mock interviews before going for main exam.

The session was informative and enriching for students. All of their queries were answered by the resource person . She finds the students very interactive. The purpose and aim to guide students regarding MBA was accomplished.
