VISION

:- Library progression committee aims to foster reading environment, to adopt measures to enhance readership among students and to promote the library and its resources among the student community. Students are introduced to various E-resources with which they can continue to enhance their learning.

:- And this objective is achieved through organizing various events like library virtual tour, competitions, webinars and talks by eminent authors and resource persons so that the library becomes a place of knowledge, learning and information.

:- Besides this the committee is engaged in archiving sources and make best use of the library resources and display of best Sellers books and exhibitions by collaboration with other institutions or libraries. Thus the LPC is actively involved in creation of collaborative spaces for students and faculty where they can evolve academically
