On 15<sup>th</sup> November 2016, the department organized its First Alumnae Meet at Mata Sahib Kaur Auditorium. Dr. Satnam Kaur addressed the gathering and felt nostalgic recalling the journey and struggles in the starting of B.El.Ed. Department in the college.

The event proceeded with a beautiful video presentation which gave a glimpse of all the aspects of students' life in B.El.Ed. Department made by Ms. Shiwani Maan and by the contribution of other students of B.El.Ed. IV year. After the screening, Ms. Nidhi Kunwar, the TIC of B.El.Ed. Department addressed the gathering and informed everyone regarding the need and responsibilities of the Alumnae Association. Then the nominees for the posts of President and Secretary were welcomed on the stage and they briefly stated their manifesto, which was followed by voting by all the alumnae.

The event proceeded with the exuberant dance performance by Ms. Vaishali Arora, alumna of 2013 batch. Then a melodious song was sung by Ms. Kajal of B.El.Ed. I year, leaving the crowd completely enthralled. After the performances, the stage was left open for the alumnae to share their memories and experiences of their days at college. They reflected upon the learning and their struggles during the period of 4 years in the department. Due to time constraint, the alumnae were asked to fill a form in order to get a substantial feedback from everyone regarding various aspects of the department as well as the college. They were asked to mention their expectations from the Alumnae Association and suggest how they can contribute to the development of the college and vice versa.

After a heartwarming session of exchanging fond remembrances and submission of feedback forms, the result of the election was announced. It was another highlight of the day. With a great majority, Ms. Priya Garg and Ms. Shabih Riaz were elected for the post of President and Secretary respectively, of the B.El.Ed. Alumnae Association. ## Alumnae Meet

Department of Elementary Education of Mata Sundri College for Women organized its Alumnae Meet 2017-18 on November 21, 2017 at Mata Gujri Hall, which was attended by the faculty, alumnae of the department as well as the teachers who had previously worked at the department. This year, the alumnae meet was special for each of the attendee as it marked the completion of ten years of B.El.Ed. Department in the college and each of the attendee has been contributors in helping the department reach its height.

Preparations for the event started long back. The alumnae had to register themselves for the event, for which a provision was made for online registration as well as on the spot registration on the day of the meet. Posters were put in the college and shared on social networking sites in order to inform everyone. Out of approximately 350 pass outs, around 147 alumnae registered themselves online and as many as 74 alumnae could come for the meet. Maximum participation was seen from the recent passed out batch from which 17 students came. From 2016 batch 11 students came, 5 from 2014 batch, 6 from 2013 batch, 3 from 2012 and 4 from 2011 batch.

The function started at 2:00pm. The department had planned a lunch for its alumnae as most of them are employed and were coming to attend the meet from their respective jobs. Simultaneously, on the spot registration were carried out. Everyone exchanged fond remembrances and memories over lunch. Many of our alumnae came with their children. So, it was a heartwarming moment to see everyone together and sharing their experiences and mile stones.

After an informal interaction over lunch, everyone proceeded inside the hall and thereby the meet began with a Welcome Note by Ms. Taruna Jain, addressed to Dr. Kawarjit Kaur (Officiating Principal of the college), Ms. Nidhi Kunwar (Teacher-in-charge of B.El.Ed. Department), faculty members and alumnae. Ms. Jain is 2013 batch pass out and is currently working with the department as a faculty. She is teacher representative of Alumnae Association from the department along with Ms. Ruchi Garg. Ms. Jain handled the mike during the meet and Ms. Garg coordinated back stage.

This was followed by another Welcome Note by Ms. Kunwar, wherein she shared regarding the purpose behind such meets. She also congratulated everyone upon the completion of 10 years of the Department together, as all had worked together and contributed in achieving the milestone and establishing its position.

**ALUMNAE INTERACTION 2019**

On April 06, 2019, the Department organized the 'Alumnae Interaction Session'. On the same day in the morning, the College had organized the centralized alumnae meet. The purpose of the meet was to maintain the space for dialogue with the alumnae that the Department has been doing over the years.

The interaction at the Department began, post lunch. It was initiated with an experience sharing session. In the experience sharing session, not just the alumnae but also the teachers participated. Also the former faculty members sent video messages for the alumnae narrating their experiences and memories. Alumnae from the recently passed out batches were especially overwhelmed while sharing their experiences.

In addition to the nostalgia, the purpose of the meet was also to have special focus on the jobs and conditions of employment. Recently, many of the alumnae from the Department have been placed in Government jobs. Hence, the session specifically focused upon the discussion on the various important issues such as eligibility criteria for various posts, promotion rules, process of appointment, etc. The aim was to share the understanding of these aspects not just by the faculty with the alumnae but also by the alumnae with each other as many of them have been working over the years and have close understanding of the ground realities and the issues that upsurge. In addition to facilitating understanding on all the above issues, this session also helped the recent alumnae understand the eligibility requirements for the upcoming jobs especially in Government sector.

Social media has also been used by us to keep the alumnae well informed. They are informed about any updates on the job vacancies or eligibility rules through social media. In all, the interaction was really a memorable one.
