POST COVID-19 COUNSELLING HELPLINE

We now find ourselves in an unprecedented moment of uncertainty and anxiety as we collectively navigate a global pandemic and its profound implications for our lives.

We all remain in a state of lockdown as responsible citizens of this country. During this time, teachers have been taking online classes and uploading appropriate study material regularly. I hope students are studying at home and also enjoying time with their family.

However due to the lockdown, if any student is facing any psychological or emotional issue, Mata Sundri College for Women has created a college counselling committee to reach out to students and faculty to help them tide through the crises.

The following Counselling Committee Members from the Department of Psychology, MSC will be available for online counselling:

1. Dr. Pooja Jaggi (7982542855)- TIC, Department of Psychology
2. Dr. Harjinder Kaur (9717995553)
3. Dr. Pranita Gaur (9891965665)
4. Dr. Harinder M. Sandhu (9821971970)
5. Dr. Poonam Vats (9871019272)
