## FROM THE PRINCIPAL'S DESK

Unprecedented times call for unprecedented measures. Due to the Covid-19 pandemic, the most important event of every academic session, the Annual Day, could not be celebrated this year. This is one day when we gather to celebrate our students and their achievements, the milestones the College has reached and also take stock of the year that has gone by, so that we may continue to excel in all fields. While nature will run her course, and sufferings are a part of our human existence, yet it is important to enjoy the joyful moments and remember our victories, however great or small. This Annual Report is an attempt to acknowledge the victors and their victories and encourage our students by sharing their achievements. Prior to the pandemic, the college had a very fruitful year in all aspects. This will be amply shown by the Report that is present before you.

Covid-19 halted the normal college life as the University took an unprecedented decision to close classroom teaching in the month of March. Nonetheless, our Staff and Students showed great resilience and adaptability in face of these difficult times. As physical classroom teaching gave way to online teaching, care was taken to ensure that the digital divide among students was mitigated. Teachers adopted various modes of communication in order to ensure that virtual teaching remained as enriching and interactive as classroom teaching. The College has since smoothed this, by organising ICT workshops for teachers and students and through effective use of G Suite. Not just classroom teaching, but even other events were conducted online, to keep up the academic vibrancy of the College. Webinars were conducted on various topics and eminent speakers from all walks of life were invited as guests to these webinars. This ensured that standards of academic excellence, which forms our primary focus, remained high.

It's a tradition in our College to invite an eminent personality as the **Chief Guest** on Annual Day, to give away the prizes to our students. S/he also shares his/her life's journey with us, so that all the other students and Staff too, can be inspired by the former's achievements and words

of wisdom. This year, the pandemic brought a halt to our normal routine so we had to forgo this tradition. However every cloud has a silver lining, and this year instead of looking for outside inspiration, we will take this opportunity to acknowledge two inspirational gentlemen amongst us, who have been the backbone of this institution. They have guided us and supported us in all our endeavours. **S. Vikramjit Singh Sahney, Chairman, Governing Body** and **S. Harinderpal Singh, Treasurer Governing Body**; have been instrumental in all the important steps that the college has taken in ensuring quality education to young women. They have been actively involved in all aspects of the functioning of our college, guided by one single motive- excellence in higher education.

Both these gentlemen have always taken out time from their busy schedules to participate in all academic and extracurricular activities of the College. During the pandemic, their main focus was the education of the students. They were deeply concerned that the students should not face hardships in any college-related issues. They encouraged online teachings and webinars to adapt to the new normal.

As an institution, we are indebted to their support and wisdom.
