Dear all,

Here are the course outlines for Language Across the Curriculum (LAC) and Pedagogy of Language (POL). Some sections are still missing or incomplete. We will need to meet to complete this work. I have compiled the sections and done some basic editing. It is good that we've been able to put together quite a few readings. But we will need to sit together to categorise these further.

I hope we can meet in Jan to finalise the following aspects:
1) The course outlines for the various sections.
2) Divide the readings into those meant for students and faculty. And perhaps also reduce the number.

Please suggest a date for the meeting. Please choose between: 18, 19, 20, 21, 22 Jan.

Please forward this mail to colleagues I might have left out.

Warm regards,
Prachi

Dear All

Please find enclosed herewith the revised list of committees for different courses as in the earlier list some discrepancies were inadvertently introduced while copying names of teachers from list of Hons courses.

Also, after our meeting some changes were made by the university. This change entails that every committee has to have 5 members instead of 3. In some cases extra names were added during the general body itself and they have been incorporated. In some other papers we still don't have 5 members. In this regard you are welcome to volunteer and get your name included in the committees where we are still falling short of the required number.

Looking forward to receiving your draft syllabus.

With regards

All Heads/Deans/Concerned Principals/Departments/Faculties/ Concerned Colleges University of Delhi

Dear Sir/Madam

We congratulate you for timely preparation of new LOCF based Under Graduate and Post Graduate Curriculum. We acknowledge preparation and incorporation of suggestions and feedback of more than three thousand faculty members of Departments and Colleges, Hundreds of International and National experts, Industry, Alumni and our own students and approx 1000 stakeholders from academicians, media, publishers, industrialists and general public. This collective effort will definitely lead to a new generation of young graduates with a globally acclaimed best experiential learning.

On 11th July 2019, we shall start with standing committee meetings of Academic Council. I would like that you should ensure the following:

1. As we know that a large number of new Faculty will join Delhi University in next few months; it is important to ensure that at least unit wise chapter numbers from text references e.g. reference book, chapter number or a weekly program defining chapter number and pages from text books or other references.

You will be glad to know that more than 70% of the departments has already done this work related with reading list for the courses. Kindly treat this mandatory as this will also help and ease the fresher students to use syllabus as Reading list/reader.

Those Departments which have not developed the unit-wise/ chapter-wise readings, are advised to submit the same in the meeting of the Standing Committee/ Academic Council.

2. Please once again check the overlapping of UG and PG syllabus, if any and submit the corrections to Standing Committee/Academic Council.
3. Kindly keep your final PPT ready for presentation in Standing Committee/ Academic Council.

Congratulations once again for ensuring our young students to study the best courses in University of Delhi.

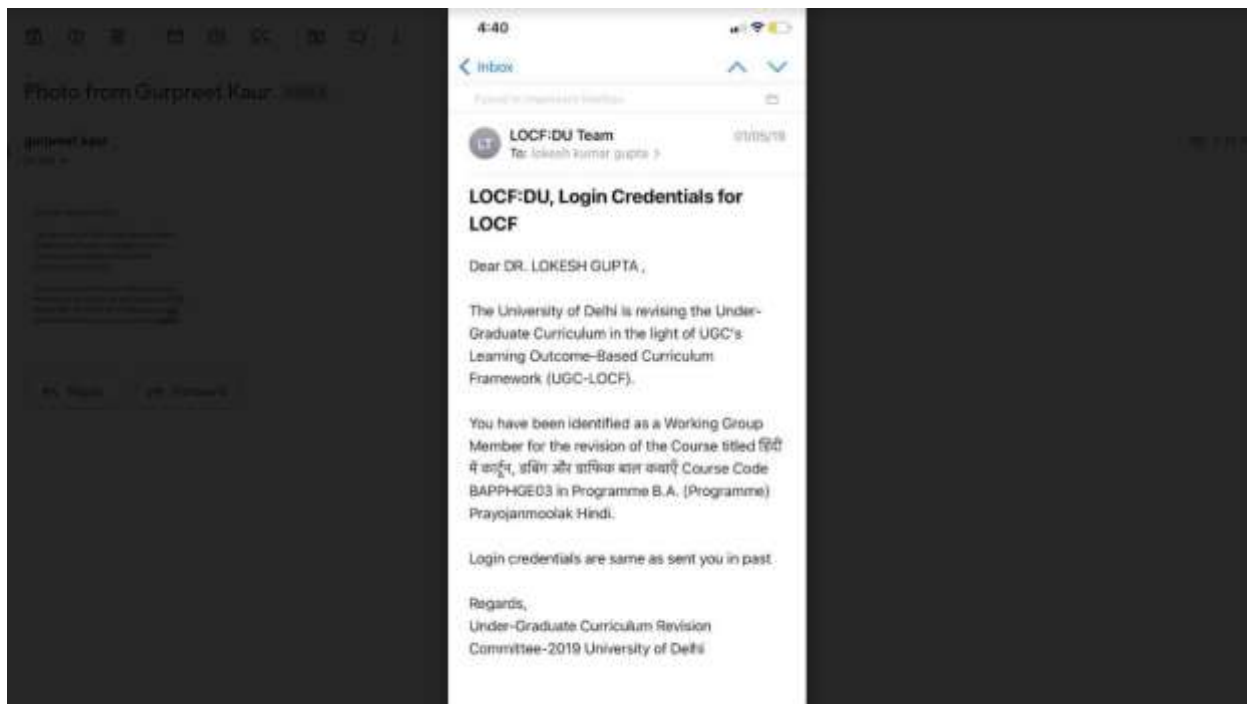

Regards,
