

Art and Film Appreciation (Skill Enhancement Course)

For the paper Art and Film Appreciation which is a skill Enhancement paper taught to the students of B.A. Hons. And Program, students are required to make projects and do presentations followed by discussion. This Paper aims to enable students to become an active and engaging viewer of art and cinema. Students actively make their projects on various topics related to art, aesthetics and films. They also interact with their peer groups, family members and friends to ask questions related to their projects to have wider perspectives. They present their topics in class mentioning the aim, issues and scope of their project. It helps them to enhance their skills of learning and increases the peer interaction.
