WOMEN ARE ALWAYS SAYING, 'WE CAN DO ANYTHING THAT MEN CAN DO' BUT MEN SHOULD BE SAYING, 'WE CAN DO ANYTHING THAT WOMEN CAN DO'

('Gloria Steinem, American feminist, journalist')

Why is empowering girls and women so important?

Empowering women is essential to the health and social development of families, communities and countries. When women are living safe, fulfilled and productive lives, they can reach their full potential, contributing their skills to the workforce and can raise happier and healthier children. They are also able to help fuel sustainable economies and benefit societies and humanity at large.

I raise up my voice-not so I can shout, but so that those without a voice can be heard....we cannot succeed when half of us are held back. It all started with one family choosing to sponsor one child. Helping that one girl, you dont know how many other lives you can touch

Alexandria Ocasio-Cortez. Justice is about making sure that being polite is not the same thing as being quiet. In fact, often times, the most righteous thing you can do is shake the table.
