

**BEAUTY IS THE
ILLUMINATION
OF YOUR
SOUL...**

WHAT IS BEAUTY??

The term “beauty” is customarily associated with aesthetic experience and typically refers to an essential quality of something that arouses some type of reaction in the human observer — for example, pleasure, calm, elevation, or delight.

Beauty is commonly described as a feature of objects that makes these objects pleasurable to perceive. Such objects include landscapes, sunsets, humans and works of art. It is often listed as one of the three fundamental concepts of human understanding besides truth and goodness.

BEAUTY ACCORDING TO PLATO..

Beauty resides in his domain of the forms. Beauty is objective, it is not about the experience of the observer. Plato's conception of "objectivity" is atypical. The world of forms is "ideal" rather than material; forms, and beauty, are non-physical ideas for plato.

Plato maintains that in addition to being able to identify a beautiful person or a beautiful painting, we also have a general conception of Beauty itself, and we are able to identify the beauty in a person or a painting only because we have this conception of Beauty in the abstract. In other words, the beautiful things we can see are beautiful only because they participate in the more general Form of Beauty. This Form of Beauty is itself invisible, eternal, and unchanging, unlike the things in the visible world that can grow old and lose their beauty. It connects beauty to a response of love and desire, but locates beauty itself in the realm of the Forms, and the beauty of particular objects in their participation in the Form.

“Beauty in things exists in
the mind which
contemplates them.”

-DAVID HUME

BEAUTY ACCORDING TO DAVIID HUME

HE SAID THAT BEAUTY DOES NOT LIE IN
“THINGS” BUT IS ENTIRELY SUBJECTIVE, A
MATTER OF FEELINGS AND
EMOTION. BEAUTY IS IN THE MIND OF OF THE
PERSON BEHOLDING THE OBJECT, AND WHAT
IS BEAUTIFUL TO ONE OBSERVER MAY NOT BE
SO TO ANOTHER.

WHY IS BEAUTY SO IMPORTANT??

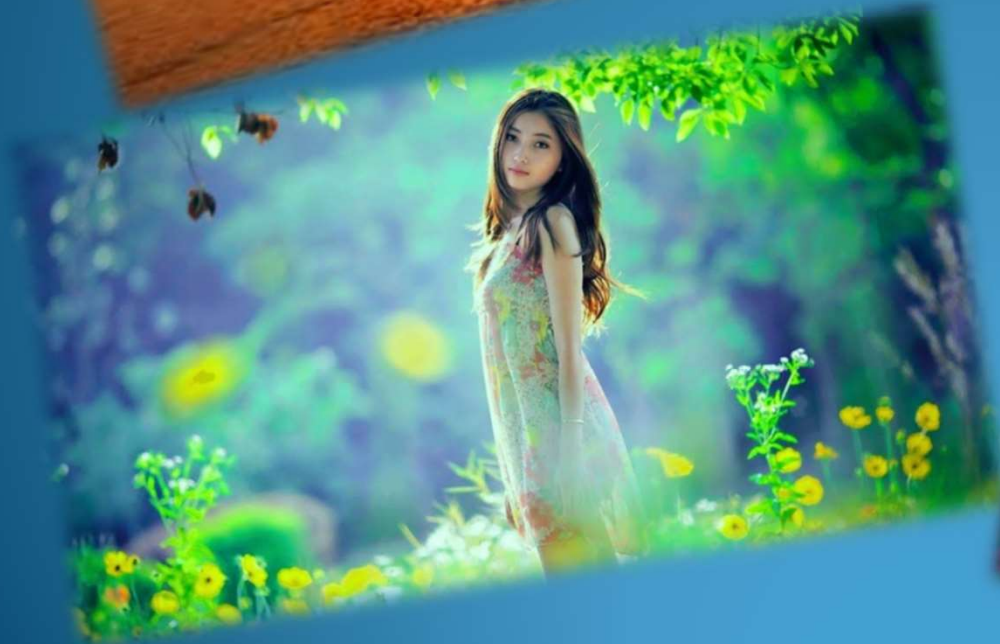

Beauty is what allows us to experience the extraordinary richness of our surroundings. Sensing it is like having a visa to our inner selves and the rest of the world, all at once. The interesting thing about beauty is that there is simply no downside to it: It can only enhance our lives.

SOCIETIES PERSPECTIVE ON BEAUTY.....

* “Beauty or Beautiful” a very wide term to describe. Different individuals may have different opinions.

*For some Beauty is ‘Nature’, ‘sunrise or sunset’, ‘pretty face with jaw line and sharp features’, ‘perfect body’, ‘the quality or aggregate of qualities in a person or thing that gives pleasure to the senses or pleasurablely exalts the mind or spirit’.

IF THIS IS BEAUTY.....

THEN WHAT ABOUT THIS???

REDEFINING BEAUTY

REAL BEAUTY IS ABOUT BEING COMFORTABLE IN YOUR OWN COLOUR, HEIGHT, WEIGHT, THINKING. LOVE YOURSELF JUST LIKE THE WAY YOU ARE... NOT WHAT SOCIETY WANTS YOU TO BE.

PEOPLE WILL ONLY SEE BEAUTY IN YOU WHEN YOU FIT THEIR EYES AND MATCH THEIR THINKING.

JUST BECAUSE YOU DON'T FIT SOCIETY'S STANDARDS OF BEAUTY DOESN'T MEAN YOU ARE NOT BEAUTIFUL.

REAL BEAUTY IS BEING TRUE, HUMBLE, KIND,
SYMPATHETIC AND BEING YOURSELF BY
LOVING YOUR OWN SOUL. PURE SOUL AND A
HAPPY ,MIND IS WHAT THE REAL BEAUTY IS.

BEAUTY IS NOT DEFINED BY FACE, HOW
BEAUTIFUL FACE THAT PERSON IS HAVING.

TRUE AND REAL BEAUTY IS HAVING A PURE SOUL.

WHAT ABOUT THIS BEAUTY??

WAS SHE BEAUTIFUL EARLIER OR NOW??

IT IS WE WHO DEFINES THE BEAUTY. DOES OUTER BEAUTY MATTERS THE MOST? WHY?

TRUE BEAUTY IS ABOUT PURE SOUL.

**BEAUTY THAT
ACID CAN'T
BURN..**

ACID ATTACK

WE ARE THE PEOPLE WHO MAKE SOCIETY AND RUINS
THE LIVES OF PEOPLE.

ACID ATTACK

An acid attack, also called acid throwing, vitriol attack, or vitriolage, is a form of violent assault involving the act of throwing acid or a similarly corrosive substance into the body of another "with the intention to disfigure, maim, torture, or kill". Perpetrators of these attacks throw corrosive liquids at their victims, usually at their faces, burning them, and damaging skin tissue, often exposing and sometimes dissolving the bones.

“Beauty lies in the eyes of the beholder”

An age old saying is probably what has made us so dependent on what others think of us. Thus, everything has beauty, but not everyone can see it. We as an individuals and a societies member are purely dependent on the societies perspectives. We have lost our own identity.

It is, in fact, the beheld whose opinions matter and that is what true beauty means. The importance given to the beholder runs so deep in our conscience that we all try our best to live up to the society's standards of beauty. This transformation mission begins from the face which makes us susceptible to overreacting on one pimple, visit multiple dermatologists for treating acne, dark circle, scars and other skin imperfections, and spending lots of money on chemicals available on the market that claim to halt the changes that come with age. In a society such as this, there is one prevalent crime that helps the psychotic minds seek revenge by stealing someone's identity: Acid Attacks.

THESE ACID ATTACK SURVIVORS NEVER GET JUSTICE, THEIR IDENTITY GETS CHANGE, THEY GET A NEW FACE AND WHICH PEOPLE CALL IT AS UGLY.

ARE THEY NOT BEAUTIFUL??

THEY ARE BEAUTIFUL; ITS JUST THEY GET A NEW FACE BUT THEY REMAIN THE SAME.

BEAUTY SHOULD BE DEFINED IN TERMS OF SOUL, HOW THE PERSON IS RATHER THAN DEFINING IN TERMS OF FACE BEAUTY AND ON THE BASIS OF PHYSICAL APPEARANCE.
