																									1 Infrastructure of classroom should be improved for class of 75
																									students there is dearth of chair and table, also the projectors
																									should b installed in the classroom. 2. Section wise room should be allotted as after every period
																									student run here and there which create so much hassle. 3. While taking lectures sometime Students talk so loudly in the
		Assistant																							corridors that disturb the class teaching so guards should b there to ensure that no student is talking so loud.

																									Library staff need to be much more cooperative in their approach as they give a really bad expression to 1st year students. Moreover, sponts facility is also not adequate in our college, hence sports should be given equivalent importance along with academic, celetrating sport day as well.
																									Furthermore, prices in canteen can also be reduced to some extent because not every student is belonging to equally stable economic background. Next is if someone loses her belongings in college then those
																									should be properly kept in custody so that they can be returned to the owner by contacting her. Lastly, there is only 1 lecture as a whole on LAW by guest lecturer, rather such lectures should take place frequently in
	Gitanjali	Bc	om																						college so as to increase awareness among students about the laws of land as ignorance of law is no execuse acceptable in our country, hence students should know the laws of their land. Thanks
