VALUE BASED EDUCATION

The College considers dissemination of a value-based education as an integral part of higher education. Value-based education in the context of Indian women in the 21st century needs a multidimensional approach. It should empower the Self, the Family, the Community, the Nation, and the World. It should empower the woman, so that she is able to take charge of her own life and circumstances and hence we see education largely as a capacity building exercise. Since we are a college named after the legendary woman leader Mata Sundri Ji, our institution considers dissemination of these values among students, as an integral part of higher education. Following are the activities we undertake to inculcate value based education.

Kartarpur Sahib Visit Report

- Kartarpur Sahib Gurdwara in Pakistan commemorates the site where Guru Nanak spent the last 18 years of his life. The opening of the historic Kartarpur Corridor on 12 November 2019 was a cherished dream for many Indians that facilitated the Indian pilgrims a rare visa-free access to the Kartarpur Sahib Gurdwara. To commemorate the 550th Birth Anniversary of Sri Guru Nanak Devi Ji, the Divinity Society of Mata Sundri College organized a trip from 25-27 November 2019 to the historical Gurdwara Sri Kartarpur Sahib. The trip also included visit to historical Gurdwaras at Sultanpur Lodhi and the Golden Temple, Amritsar. A group of 36 people including Principal, faculty and other staff members from the college visited the shrines and sought divine blessings.
