REPORT ON WEBINAR ON "ANGULAR & NODE JS"

An initiative of Mata Sundri College for Women in Collaboration with 9LedgePro.

In today's highly competitive environment, it is necessary to have an edge over others, especially in a field like Web Development. With this notion, on 25st August 2021, **The Placement and Internship Cell, Mata Sundri College for Women**, hosted an interactive session on **"Angular and Node JS"** by two prestigious members of 9LedgePro, **Mr. Parth Shukla and Mr. Aniket Kalvit**. Mr. Parth is the co-founder of 9 ledge pro, a Microsoft partner network and Google cloud reseller. He is a subject matter expert on application development in data analytics. He is also a guest faculty in various reputed institutions across India like GGSIPU, SSPU, Mumbai and Delhi University. A master for ceremonies of software engineering and Python application development training and consulting, Mr. Parth's key domain is development and information security management. His technical skills include him being a Microsoft certified trainer (MCT),Microsoft certified professional (MCP), machine learning with R and python, business analytics using advance excel/r and office 365 apps, OWASP framework, net windows/Web application development, and cloud application development using AZURE.

Mr. Aniket has completed MSc in Computer Science in 2014. His domain is in Development and Trainings on Microsoft Technologies and Client-side Web Technologies and Key Competencies are Angular10, .NET core, MVC5, C#. From 2014 – 2015 he has worked with ATS InfoTech Pvt. Ltd. He also provided training in AllScript Pvt. LTD, Pune on C# and MVC5. From (2018- 2019) he has worked with Vega Innovations as a Full Stack Developer Managing Web Application development using Angular 8 & .NET core MVC. From

2017-19, he has worked with 9ledge pro as an application developer and Consultant Tech lead and handled projects based on agile framework. He is currently working as Freelance Corporate Trainer His Technical Skills are NET Windows/Web Application development, Angular 12.

9Ledgepro is one of India's leading certification training providers. They partner with companies and individuals to address the unique needs and provide training and coaching that helps working professionals achieve their career goals. They offer global certifications, workshops, webinars, E-learning facilities, and faculty development programs. They have partnered with various educational institutions across Delhi and Maharashtra. Their mission is to identify the right skill sets that fulfil the present industry requirements and train individuals to effectively become potential job seekers, skilled employees, and entrepreneurs.

The webinar was attended by a total of **65 students** via **Google Meet App** from **5:00 pm to 7:00 pm.**

The speakers focused on how web development is a skill which is in demand nowadays, be it in internships, training, or jobs. They further explained about the roles, opportunities, internships and trainings in enriching this skill. They also explained the different domains of Web Development, and how it offers a great variety in selecting languages, technology and frameworks. Different examples of each of them were also explained, such as Java. A brief introduction was given about the different levels of Web Development, which included UI/UX, Backend Development, Front-End Development, Full Stack Development, and Developers me. Concepts such as API services, testing, user experience, internet, intranet, static and dynamic pages, Bootstrap(features, examples, and Platform Dependency), HTML,

CSS, and Flutter were thoroughly explained. An angular project, using Node JS, and Html was created to demonstrate the features better.

The session witnessed an enthusiastic participation and all the queries were answered by the speakers. The vote of thanks was delivered by Ms. Srishti Bansal. The success of the session was applauded by Dr. S. Kalpana Devi, Convener, Ms. Ashema Hasti, Co-Convener of the Placement Cell and Ms Harshmeeta Soni, Faculty Member of Mata Sundri College for Women.
