

REPORT On
Seminar
“Carrer in psychology”
Organized By
PRAYAS- Placement and Internship Cell

*An initiative of Mata Sundri College for Women in
Collaboration with Council India*

On **November 23, 2023**, a collaborative seminar was organized by the **Placement Cell of Mata Sundri College for Women** in association with the **Council India** on the topic of "**Career in Psychology**." The seminar aimed to provide insights into the history of psychology, the current scenario of the field, and the various career opportunities available. The event witnessed active participation from students and featured esteemed speakers who shared their expertise and experiences. The event featured esteemed speaker, **Mr Shivam Kumar Dixit** who shared their expertise and experiences with the participants.

Mr. Shivam Kumar Dixit's journey in psychology has been marked by insightful contributions and a commitment to empowering individuals through understanding the complexities of the human mind. His wealth of experience and knowledge promises to be a guiding light for those venturing into the dynamic world of psychology.

Council India has consistently demonstrated its commitment to fostering growth and development in the field of psychology. Through their various initiatives, they have created a platform for knowledge sharing, networking, and collaboration among professionals, researchers, and students. Their expertise and

guidance have been invaluable in shaping the careers of countless individuals in the field of psychology

The event was attended by **85** participants. The said event was held offline on 23th November 2023 from **1:00pm to 2:30pm**.

The seminar commenced with a comprehensive discussion on the history of psychology, tracing its origins and evolution over time. The speaker shed light on key milestones and influential figures that shaped the field. The session highlighted various facts about the field of psychology, including its growing demand and the need for more professionals. The speaker emphasized the lack of psychologists in various sectors and the potential career prospects for aspiring psychologists. A video presentation by renowned author and social worker Sudha Murthy was showcased during the seminar. In the video, she shared her insights on the importance of psychology in understanding human behaviour and fostering empathy. One of the key topics discussed was the distinction between a counsellor and a skill counsellor. The speaker elaborated on the roles and responsibilities of each, emphasizing the importance of both in supporting individuals' mental well-being and personal growth. The seminar provided an overview of the diverse profiles and career paths available in the field of psychology. The speaker discussed areas such as clinical psychology, counselling psychology, industrial-organizational psychology, and educational psychology, among others. The seminar provided an overview of the diverse profiles and career paths available in the field of psychology.
