

# **REPORT ON DEPARTMENTAL ORIENTATION**

**(4th January 2023 - 5th January 2023)**

Mata Sundri College begins yet another season with new energetic and inquisitive young women. To make them aware of the opportunities shared by the Placement & Internship Cell, The Placement & Internship Team had organized a 2 day orientation program on the 4th and 5th January 2023 and students across all the Departments of college were present- Department of Computer Science, Department of Psychology/English/Political Science, Department of Hindi/History/Economics/B.El.Ed, Department of ASPM/Maths/Statistics, Department of Commerce & Department of Sanskrit/Urdu/Philosophy/Punjabi/Music.

The session began with an introduction of Placement Cell with thorough Insights on Workshop and Training programs which are provided to the students. Various points such as the profiles offered to them as well as the companies which conduct the internship drives were elaborated.

The students were told about the Placement Committee Faculty Members and the Team of students in the Committee. An elaborate record of the companies that have visited the campus for respective Placement Drives, Internships or Events was presented and the students were made aware of the Placement Cell policies including the "Internship Policy" and the consequences on the breach of it.

The Social Media Handles of the Placement Committee were shared with the students along with the steps to join the Placement Committee.

The session witnessed enthusiastic freshers – around 40 students each day joined the orientation sessions. The orientation sessions were conducted from 5:30 PM to 6:30 PM via Google Meet.

The Speakers from the Placement team took the students through an informative session about the Committee with the help of a digital Presentation and effective oration.

The sessions witnessed enthusiastic participation and all the queries were answered by the speakers. Dr. Kalpana Devi, Convener of the Cell, and Ms. Ashema Hasti, Co-Convener of the Placement Cell informed the students about the significance of internships that provide students a professional experience while they are still studying. They encouraged the students to join various grooming sessions and workshops organized by the Cell throughout the year to get a competitive advantage in the job market.

The students were told the importance of doing internships right from the first year so that students can gain as much exposure and experience as possible.

The students were encouraged to contact The Placement Cell whenever in doubt and also the students must come out of their shells and explore the opportunities.

The links for joining the placement cell were shared in the Chat box and all the queries the attendees had were answered efficiently by a collective effort of the Placement Committee Faculty and the Students.
