*An initiative of Mata Sundri College for Women in  
Collaboration with IMS Proschool*

On 19th June 2024, an event was held at Mata Sundri College in collaboration with **ProSchool**. The event focused on the topic “Importance of Financial Modelling ” and featured a guest speaker **CA Rishita Motwani**.

CA Rishita Motwani illuminated the path towards a career in Financial Modelling with her unparalleled expertise and engaging demeanor. She provided the objective of the Financial Modelling Demo Session Workshop was to provide participants with an understanding of the basics of financial modeling, the tools used, and practical applications in real-world scenarios. The workshop aimed to introduce the fundamentals of financial modelling. Demonstrate the use of Excel and other relevant software. Highlight the importance of financial models in business decision-making. Provide hands-on experience through practical exercises. The facilitator provided an in-depth introduction to financial modeling, emphasizing its relevance in strategic planning, investment analysis, and risk management. Participants learned how to use Excel effectively for financial modeling, including tips and tricks for optimizing their workflow. The case study session was particularly well-received, as it allowed participants to see the practical application of theoretical concepts. The interactive nature of the workshop, including group activities and practical exercises, ensured active participation and engagement. The Q&A session provided valuable insights and clarified

participants' doubts, leading to a better understanding of the subject matter.
