"Studying abroad is like a brush dipped in the vibrant colors of the world, painting your life with experiences that can never be erased." With this notion, on **17th October 2023**, The Placement and Internship Cell, Mata Sundri College for Women in collaboration with **HALP** conducted a Workshop on "**Overseas Education**". This enlightening event was graced by the distinguished presence of **Mr. Vaibhav Verma**, whose expertise in international education served as the guiding star for the attendees. The Event was conducted in **VC Lab** from **2PM to 3PM**. The speaker for the session was welcomed by Ms. Kanishka and Ms. Precksha in the Presence Of **Mrs. Divya Ma'am**.

A total of **29 students** participated in the session. Through the workshop, students were given the opportunity to explore the world and discover new educational opportunities. Our esteemed speaker, Mr. Vaibhav Verma, outlined the routes to higher education in the US, Canada, UK, and Australia. He revealed the distinctive academic environments, cultural experiences, and opportunities each nation had to offer with his wealth of knowledge and insights.

Mr. Verma's captivating appearance quickly drew the attention of the audience. He started off by describing the various educational systems, financial aid options, and visa procedures in the four well-known study locations. He created a clear picture of life as an international student in various nations through his captivating presentation. Students learned about world-class colleges, challenging yet fulfilling educational environments, and the significance of carefully choosing a location that fits with both their academic objectives and personal aspirations. Inspiring success stories of students who traveled abroad for higher education were given by Mr. Verma, who also highlighted how these encounters helped these individuals to widen their perspectives and enhance their lives.

The event had a significant impact, inspiring guests and providing them with the knowledge they needed to start their own foreign education journeys. The Overseas Education Workshop helped aspirant international students realize their aspirations by providing in-depth knowledge about studying in the USA, Canada, the UK, and Australia. A universe of potential opened up as a result of this eye-opening experience, allowing every student's educational journey to be as limitless as their aspirations.
