

REPORT on Workshop
On
“STUDY ABROAD”
Organised By
PRAYAS- Placement and Internship Cell

*An initiative of Mata Sundri College for women in
Collaboration with
HELLO STUDY GLOBAL*

“Studying globally is not just about acquiring degrees; it's about immersing ourselves in the vibrant colors of new cultures, tasting the flavors of different cuisines, and learning to dance to the rhythms of unfamiliar traditions”, With this notion, on **18th October 2023**, The Placement and Internship Cell, Mata Sundri College for Women in collaboration with **Hello Study Global** conducted a Workshop on “**Study Abroad**”. The event, graced by the presence of the eminent **Mr. Naveen Rai**, was a beacon of guidance for students aspiring to embark on international educational journeys. The Event was conducted in **VC Lab** from **1:30PM to 3:00PM**. In the presence of **Mrs. Rouble Ma'am** and **Mrs. Pancchali Ma'am**, Ms. Manpreet and Ms. Prerna welcomed the session's speaker.

A total of **17 students** participated in the session. Mr. Rai was given a hearty welcome before the workshop began, and the audience was quickly engrossed by his charismatic presence. He set off on a trip into the realm of international education with charm and knowledge, concentrating on the United States, Canada, and the United Kingdom. He supplied insightful information on the distinctive academic environments, cultural experiences, and job opportunities that each of these nations

offered through his enlightening presentation. The participants learned about the demanding and rewarding educational environments, the significance of picking the best program and institution, and helpful advice on the application process, scholarships, and visas. Mr. Rai highlighted the life-altering experiences and global perspectives that students who had successfully pursued education overseas had obtained by sharing their amazing success stories. During interactive Q&A sessions on their objectives for an international education, students get the chance to ask specific questions and receive detailed responses. Along with being a source of information, the workshop was a great place for networking and mentoring.

The Study Abroad Workshop had a significant impact, inspiring and preparing students to follow their goals of studying abroad. It was an occasion that opened up new educational chances and enlarged the perspectives of Mata Sundri Collge aspirant global scholars. It served as a reminder that with the correct direction and perseverance, anyone can make the world their classroom and that dreams have no bounds.
