

**REPORT on Orientation**  
**On**  
**“Skill-based Courses and C.V Building”**  
**Organised By**  
**PRAYAS- Placement and Internship Cell**

*An initiative of Mata Sundri College for women in  
Collaboration with 9LedgePro.*

In today's competitive world, a right guide is very crucial for the success. With this notion, on **8<sup>th</sup> January 2023**, **The Placement and Internship Cell, Mata Sundri College for Women** in collaboration with **9LedgePro**, hosted an session on **“Skill based Courses and C.V building”** by the prestigious members of 9ledgePro, **Mr. Parth shukla**. He is the Co-founder of 9ledgePro, a Microsoft partner network and Google cloud reseller. He is an International Trainer and workshop leader on Open Source framework for python, IOT based Application development, Security, as well as Cloud Application Security. He has conducted more than 500 workshops all over India & abroad. The speakers for the session was welcomed by Ms. Aaushika.

9ledgePro is one of India's leading certification training providers. They partner with companies and individuals to address the unique needs and provide training and coaching that helps students as well as working professionals achieve their career goals. They offer global certifications, workshops, webinars, E-learning facilities, and faculty development programs. They have partnered with various educational institutions across Delhi and Maharashtra. Their mission is to identify the right skill sets that fulfill the present industry requirements and train individuals to

effectively become potential job seekers, skilled employees, and entrepreneurs. It's best to say that surely the brand speaks for itself. Our decision to affiliate with 9ledge pro has proven to be very valuable and it gives me immense honor and pleasure to welcome one of the most spectacular members of 9ledge pro on behalf of our college.

A total of **63 students** attended the workshop. The session was held from **4:00 pm to 6:00 pm.**

The speaker started the session by explaining about CV and when to use it. He shared a professional CV template that has a good chance of getting accepted and explained the structure of CV. He discussed what we should mention in the CV; like what to include in qualifications and skills to mention according to the experience. He also explained about cover letter,

The session witnessed an enthusiastic participation and all the queries were answered by the speaker. The vote of thanks was delivered by Ms. Aaushika.
