how in today's world, where scams, frauds, and corrupt practices have become all too common, vigilance is the need of the hour. We must take responsibility for maintaining a strong moral compass and ensuring that integrity, honesty, and transparency prevail in our personal and professional lives. It is not enough to merely condemn corrupt practices; we must actively work towards eliminating them by staying vigilant. During this session, we learnt about the various methods used to exploit and manipulate individuals and systems. We gained an understanding of the impact of corruption on society, the economy, and our overall progress. Through this session we developed the knowledge, skills, and tools to identify, prevent, and report any illegal and unethical activities. Additionally, vigilance extends beyond just reporting any wrongdoings; it also involves taking preventive measures. We should be proactive in implementing systems and processes that discourage corruption and unethical behaviour. By promoting a culture of vigilance, we create an environment where transparency and accountability are valued.

Let us all strive to be vigilant, to be watchful, and to contribute to a better and brighter future for ourselves, our society, and our nation.

**Army Day- Movie Screening** - Army Day is celebrated on 15 January every year in India, in recognition of Lieutenant General Kodandera M. Cariappa's. On this day, soldiers of the Indian Army are honored, who selflessly served the country and set the biggest example of brotherhood. The salute is given to all those brave fighters who have given up everything to protect the motherland and maintain the integrity of the nation. Parivartan, the NSS Unit of Mata Sundri College in Collaboration with Pratibimb the Film Society organized a movie screening of the movie – Shershaah in Mata Sahib Kaur Auditorium on 16<sup>th</sup> January, 2023. The auditorium was filled with a mass number of students from the college. The movie is the story of PVC awardee Indian soldier Capt. Vikram Batra, whose bravery and unflinching courage in chasing the Pakistani soldiers out of Indian territory contributed immensely in India finally winning the Kargil War in 1999. Based on the life of Captain Vikram Batra who was an officer of the Indian Army, posthumously awarded with the Param Vir Chakra, India's highest and most prestigious award for valour, for his actions during the 1999 Kargil War in Kashmir between India and Pakistan. This movie offered a glimpse of the life of an army officer and served well for the occasion as well. Indian army day values and encourages Indian soldiers and provides civilians with a platform to express our gratitude towards their insurmountable efforts and neverending wit when it comes to protecting our nation. We must all come together on this day to honour and pay our gratitude towards the sacrifices of the martyrs who gave their life away to protect us from the enemy attacks.

Clear all your doubts and register yourself as a voter, Become A Youth Vote Ambassador!" on the occasion of National Voters' Day on 27th of January, 2023 in college premises outside NSS room. Voting is an integral part of democracy, and it is necessary for people to have a voice. Everyone has the right to vote, which means that all Indians can vote for the Prime Minister of their choice. By voting, you can create change and make a difference in your community. It is also important to vote because you can only repeal a law if most citizens agree with it. Knowing this, PARIVARTAN, the NSS Unit of Mata Sundri College for Women organized Workshop on Voter Rights and Training Session. The Workshop was on the topic- Voter

Rights and Training Session to become a Youth Vote Ambassador and was in collaboration with Youth India Foundation. The workshop took the volunteers through the rights they have as a young voter, guaranteed under Universal Adult Franchise. The ECI guarantees students the right to vote for representation for the constituency their campus lies on. It also taught the volunteers how to register for Voter ID Card online. Voting gives citizens a voice and an opportunity to participate in the democratic process. Voting also allows everyone to contribute to the shared democracy and make the government more representative of the people. Making a change in the world requires getting your voice heard and articulating the ideas of others who do not have a voice. Voting is a fantastic approach to bringing about change. Voting in elections helps citizens guarantee that the country's rights and protection are improved. Volunteers participated in the event.

Volunteers enthusiastically spread awareness about the importance of the right to vote using Voter ID cards to eligible people. They made the people understand how even 1 vote can change the future of our country. While there are some who genuinely cast their vote, many people sit back and relax on voting day, and others are cajoled into voting for particular candidates. The importance of voting is lost amongst the hustle and bustle of city life. While everyone sits and complains about this and that, and makes suggestions that the government should change this and that, the elections come and go without half the population paying attention. ### **War Memorial Visit**

Parivartan, the NSS Unit of Mata Sundri College for Women organized a visit to National War Memorial on 14<sup>th</sup> February 2023 to show gratitude towards Nation's Armed Forces. Volunteers participated in the event.

14th February is considered a Black Day in India due to the Pulwama attacks in which 40 CRPF brave hearts were killed in one of the deadliest attacks on Indian security forces. This Day brought the country to a standstill after a suicide bomber from Jaish-e-Mohammed (JeM) rammed a vehicle full of explosives into a CRPF convoy. Nearly 40 CRPF officers were reported dead. Volunteers visited National War Memorial in Delhi to show their gratitude to the nation for its national armed force. Since independence, more than 26000 soldiers of the Indian Armed Forces have made the supreme sacrifice to defend the sovereignty and integrity of the country. Volunteers visit the national war memorial not just to mourn or show their gratitude toward all our brave soldiers who sacrifice their lives in the protection of ours but also to show a huge amount of respect and love to their families who are so courageous to lose their family member to protect the nation. When we visit we saw Amar Jawan Jyoti which was constructed to honor the memory of the brave soldiers who fought the Indo-Pakistan war. We also saw soldiers on duty who were there standing and saluting. After that, we went to see the soldiers' names. There were approximately 13000 or even
