

STUDENT SATISFACTION SURVEY

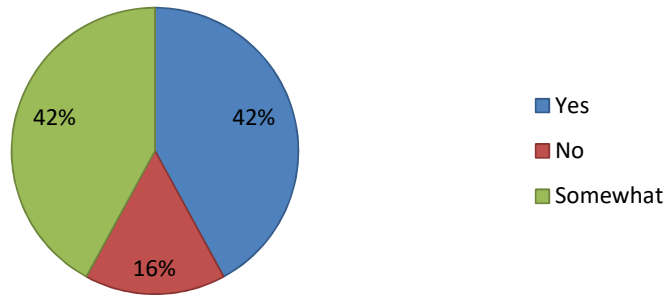

Students are the most important stakeholders of an institution. Assessing student satisfaction enables the institution to focus directly on issues of quality and development and ensure that educational standards are high. Measures of Student Satisfaction can also assist in identifying and implementing areas for development. In the academic session, 2022-2023 feedback was received from the students about various aspects of the college including administrative support and infrastructure. The analysis of the same are displayed below:
