Student Feedback 2023 - 2024

An online survey was conducted to collect student feedback on teaching learning process and student's satisfaction. The survey aimed to assess whether the classes were held regularly, teachers conducted timely assessments, and whether students found the faculty approachable and supportive. The results indicated that majority of the students responded positively. They confirmed that classes were conducted consistently, the syllabus was completed on time, and regular assessments and discussions were held. Additionally, students appreciated the teachers' friendliness and accessibility both in and outside the classroom.

The responses collected are:

1. Are your classes held regularly?
2. Are you satisfied with the teaching methods of your teachers?

10. What are your suggestions to improve the facilities further in the college?

Most teachers expressed satisfaction with the college's infrastructure, highlighting the availability of facilities such as computer labs, internet access, Wi-Fi, and a well-equipped library. However, they recommended improvements in a few areas.

Teachers suggested arranging food, beverages, and tea in the staff room for convenience. Concerns were raised about the hygiene of canteen food, with a strong recommendation for better maintenance, a broader selection of healthy food options, and reasonable pricing. Additionally, they proposed a designated space for faculty within the canteen.

The cleanliness and upkeep of washrooms were also highlighted as areas needing attention. In terms of academic resources, teachers suggested increasing the availability of e-books, e-journals, and newspapers in the library. They also recommended equipping all classrooms with whiteboards and projectors to enhance teaching and learning experiences.

EMPLOYERS FEEDBACK 2023-2024

Most of the companies that visited the college found the students to possess the necessary skills for the roles offered. However, some highlighted areas for improvement, including communication skills, confidence, knowledge, and professionalism. Employers also noted that more students should actively apply and participate in the interview process. Additionally, they emphasized the importance of punctuality and professionalism among candidates. To address these concerns, the companies recommended organizing more workshops and seminars focused on career counselling and skill development for students.

4. What efforts should the College take to integrate its Alumni in further enhancing the overall quality of the Institution?

Most of the alumni felt that college should organize regular meetups so that they can stay connected and get regular updates on college activities. They also recommended increasing the number of seminars and mentoring programs specifically designed for alumni.

Additionally, providing job alerts through official email IDs was proposed, along with efforts to create placement opportunities for alumni. This could be particularly beneficial for those who may still be seeking employment.

It was also suggested to invite experienced alumni to share insights about their academic journey and professional experiences. Such sessions would help current students gain a deeper understanding of the skills and knowledge needed beyond their coursework to succeed in their professional lives.

5. How would you like to contribute towards the development of the College?

When asked how they would like to contribute to the college's development, over 90% of alumni expressed their willingness to give guest lectures or share knowledge through collaborative initiatives. Some also suggested contributing by offering platforms for placements and internships, fostering an Industry-Academia Interface, and facilitating partnerships or tie-ups with organizations.

6. Any other suggestion(s) you would like to make

Most alumni expressed satisfaction with the teachers and the facilities provided by the college. However, some suggested that more placement opportunities should be made available. Others recommended that the college consider adding a garden and expanding the sports ground for students.

A few alumni also emphasized the importance of increasing collaboration with new startups to create more opportunities for student placements and internships.
