ENGLISH REMEDIAL CLASSES
19th August, 2019 - 11th SEPTEMBER 2019

The department of English conducted Remedial English classes for the students of BA Programme for three weeks from 19th August to 11th September 2019 from 3:00pm to 4:30 pm, Monday to Friday. The course was designed to help the students work on their spoken as well as written English. A total of seventy five students enrolled for the course. Three batches of twenty five students (RC1, RC2 and RC3) each were formed. Students were provided with worksheets during every class which they practiced in the class itself after the topic was discussed in detail. It was observed that the students had theoretical knowledge of the rules of grammar. However, they faced difficulty in the application of those rules. Through these classes the faculty endeavoured to help the students understand the application of the rules. The classes motivated the students to work on their language further.
