

MOVIE MAKING WORKSHOP BY MS. SHIWANI MAAN

A workshop on the theme “*Movie Making: Creating Pedagogical Resources*” was organized for B.El.Ed. III year students on January 04, 2018, as a part of their Material Development & Evaluation practicum, at Department of Elementary Education of Mata Sundri College for women. It was conducted by Ms. Shiwani Maan, an alumna of the Department and working with a reputed private school as Assistant Teacher. The resource person specifically focused upon explaining the persons involved in movie-making, different roles to be performed, the different nature of shots and most importantly the pedagogic relevance of such movies as a resource to facilitate learning. Participants created their movies using different techniques such as use of pictures with voice overs, interviews, shooting scenes and editing them in smaller groups. The workshop was concluded by screening of the short movies created by each of the group.
