

## **Educational Visit to Yamuna Biodiversity Park**

Department of Elementary Education , Mata Sundri College for Women, organised an Educational Visit for the B.El.Ed III year students on the 17<sup>th</sup> Feb, 2018 to Yamuna Biodiversity Park. Mr. Manoj, the resource person, made our students aware of the steps being taken to conserve certain medicinal plants, butterflies, birds and animals which are on the verge of extinction. The trip helped our students realize the importance of environmental conservation, economic importance of different herbal plants such as neem, chiku, peepul, bargad etc. which have medicinal as well as nutritional values.
