

### **Talk & theatre performance - Gandhi on our times**

A talk by Prof. Apoorvanand Jha was organized by the B.El.Ed Department on Feb 08, 2017 for students. Prof Jha initiated the talk by a reflection on school textbooks and how our education system failed to expose us to the events leading to assassination of Mahatama Gandhi. Various events during the independence, partition, Hindu-Muslim disputes were explained. The talk followed by a fabulous performance by our theatre resource persons Mr. Lokesh Jain and Ms. Jaimala Iyer. It revolved around incidents from history, where powerful and influential people have tried to curb anyone who steps away from the line or doesn't conform to the uniformity.
