

### **Innovative Schools Visit (2017-18)**

A visit to innovative schools at Digantar, Jaipur was organised by the Department of Elementary Education for B. El. Ed. III year students between October 09-14, 2017. The visiting group comprised of 45 students and 4 faculty members from the Department. Students explored several aspects of Digantar's schools on visit; like, pedagogical practices, teacher-student relationship, school-community collaboration and specific school practices- cleanliness activity carried out by students and teachers; bal sabha and bal panchayat. Visit to the community was a novel experience for both students and faculty members. The students got an opportunity to interact with the parents, siblings and other family members of the present Digantar students in their home setting.
