

## **Visit to Innovative schools at Digantar-2019-20**

Visit to Innovative schools at Digantar (Jaipur) was organised for B.El.Ed. 3<sup>rd</sup> year students as part of their essential Practicums namely 'Material Development Evaluation' and 'Classroom Management' from 13<sup>th</sup> Jan to 18<sup>th</sup> January, 2020. The main objective of the visit was to explore an innovative/ alternative school in a holistic sense. It was envisaged that the learners would be able to draw linkages between various pedagogy courses which they are studying and classroom practices of the innovative school. Students observed two schools for two days, interacted with community people, visited library and resources available for teachers and students along with sharing their experiences through presentation.
