

Talk on Critical Inquiry and Education by Prof Harkeet Kaur Bhatia

An interactive talk by Prof. Harjeet Kaur Bhatia was organized by the Department of Elementary Education on September 25, 2017. The lecture was attended by students of B.El.Ed. as well as the faculty members of the department. Prof. Bhatia is presently associated with the Faculty of Education at Jamia Millia Islamia, Delhi. Prof. Bhatia highlighted the critical need of teachers who are reflective practitioners and this is how she brought out the central topic of the lecture i.e. Critical thinking. She brought to light the centrality of developing critical thinking in teacher education programs so that the teachers are reflective practitioners who are able to question, analyse and synthesize in order to formulate a perspective of their own.
