

Talk on Multiple Childhoods

On October 30, 2017 Decennial year celebrations of B. El. Ed. Department were concluded with a talk on 'Multiple Childhoods' by renowned Disability Activist Prof Anita Ghai, Professor, Ambedkar University, Delhi. The session was attended by the first and second year B.. El. .Ed. students, faculty members of the host college and SPM college. Talking about the Identity in one's life, she narrated instances from her own life, focusing on the identity formation of being a disabled person. The discussion took a different angle when gender, womanhood and other issues were taken up. It is imperative that teachers perceive childhood as diverse and be sensitive towards these differences in each child.
