

## REPORT

# ARTIFICIAL INTELLIGENCE

**An initiative of Cybernauts, the Tech Society of Department of Computer Science, in collaboration with PRAYAS-Placement and Internship Cell of Mata Sundri College for Women, University of Delhi**

ARTIFICIAL INTELLIGENCE i.e. Simulation of human intelligence in machines that are programmed to think like humans and mimic their actions. The term may also be applied to any machine that exhibits traits associated with a human mind such as learning and problem-solving ability.

An interactive and informative talk on **ARTIFICIAL INTELLIGENCE** by **Professor Varun Duggal**, who provided his detailed insights about the topic on Friday, 24th February, 2023 from 2:00 PM IST in Mata Gujri Hall which was attended by 50+ participants.

The talk was conducted under the able guidance of **Prof. (Dr.) Harpreet Kaur (Principal), Dr. Kiranjeet Sethi (Course Coordinator), Dr. S Kalpana Devi (Convener-PRAYAS) , Ms. Ashema Hasti (Event Coordinator) and Team Cybernauts.**

The talk commenced with a welcome speech by **Miss Astha Kuhikar** followed by the felicitation ceremony headed by **Dr. Kiranjeet Sethi** and **Dr. S Kalpana Devi** on the behalf of Mata Sundri College for Women.

The speaker for the talk was **Prof. Varun Duggal**. He is alumni of IIT Varanasi and NTU with 35 years of enriched academic & industry experience and has inspired legions of students to deeply understand & decode the nuances of AI, Big data, Business Intelligence, Database Management, Marketing & Advertising among other things. He has published many research papers using complex statistical tools including Structural Equation Modelling in various Journals including ABDC Journals.

The session provided students with hands-on experience with ChatGPT, an artificial intelligence chatbot, and DeepAI, an artificially intelligent tool for creating visual tasks. The speaker briefed students about the Triarchic Theory of Intelligence formulated by Sternberg, namely, Analytical, Creative, and Practical.

Many interesting questions were raised by the participants which depicted their active participation in the session. The speaker handled all the queries. The session was finally concluded with a vote of thanks by **Ms. Ashema Hasti**.

The feedback provided by the participants marked the success of the talk. The overall organization and deliverance of the talk satisfied the participants. The talk helped the participants explore the world of artificial intelligence.
