

REPORT ON
Career Guidance Session
on
“What after BSc(Hons.) CS: Preparing for Higher Studies”

Placement & Internship Cell, Mata Sundri College for Women, in collaboration with **Department of Computer Science**, Mata Sundri College for Women organized a **Career Guidance Session** with an aim to inform about the various activities conducted by the Cell and significance of internships your field of study for successful outcomes after graduation. The session was conducted for Computer Science first year students on **January 22, 2022 from 6:30 PM IST to 9:00PM IST over Google Meet** which was attended by **89 students**. The duration of the session was 2.5 hours.

The session was conducted under the able guidance of **Dr. Kiranjeet Sethi (Teacher In-Charge, Department of Computer Science)** and **Ms Ashema Hasti (Co-Convener, Placement & Internship Cell)**. The Student Coordinator **Ms. Anushka Purwar** introduced the session speakers.

Ms. Jyoti Balodhi took session on various entrance exams for MCA. She told how to prepare for NIMCET and GGSIPU entrance tests for MCA. She also discussed about the eligibility criteria and the exam pattern that includes Logical Reasoning, Maths, Computer Awareness and English. She also informed about the coaching institutes for Mock Exam series and what books to refer to.

Ms. Falak Hasija took session on how to prepare for NIMCET and at IGDTUW entrance tests for MCA. She also shared her experience of studying at IGDTUW. She also informed what rank to score for getting admissions in various NITs. She discussed about paper pattern of IGDTUW entrance test and its marking scheme.

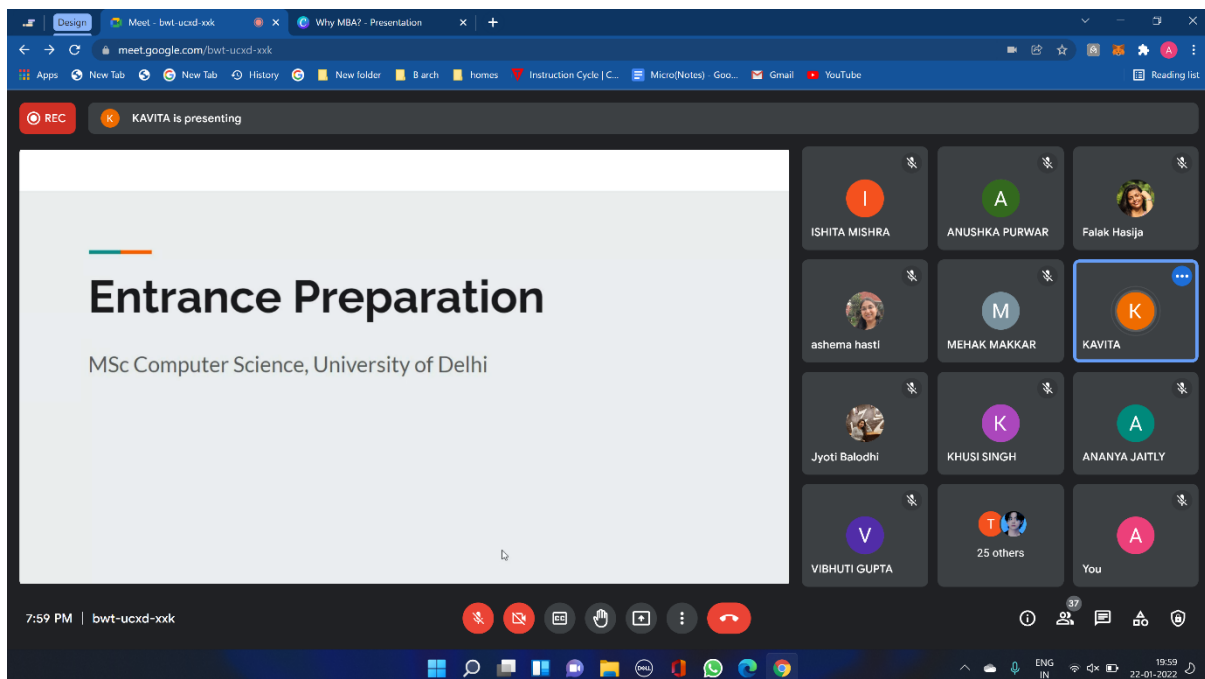

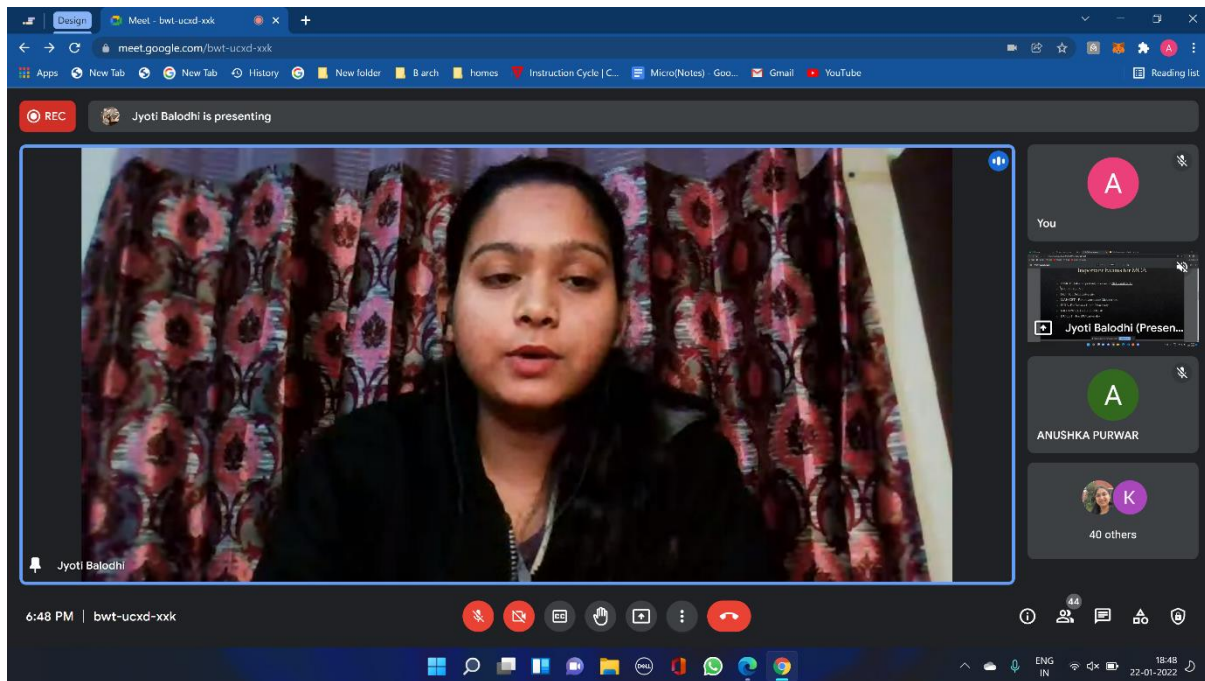

Ms. Mehak Makkar told about various MBA entrance tests such as CAT, SNAP by Symbiosis, XAT by Xavier's, IIFT and NMAT and also informed what all subjects to prepare and focus on such as Data Interpretation, Logical Reasoning, Maths, etc. She discussed about the major domains of MBA. She discussed about the marking scheme of all these entrance tests. She also discussed about the final selection process, which is based on Test Score, Profile Score, PI Score, Written Ability Test(WAT) score and GD Score.

Ms. Kavita told about how to prepare for DU MSc and also discussed about merit-based admissions. She informed about the seat allocation matrix for both. She also provided the links to the study material.

Ms. Preeti Sakta discussed how to prepare for BHU MSc Computer Science and MSc Computational Science. She also discussed the paper pattern and marking scheme of both the entrance exams and seat matrix.

The session witnessed enthusiastic participation by second- and third-year students who asked their queries. The session concluded with vote of thanks presented by student coordinator **Ms. Ananya Jaitly**.
