

## GETTING ASSISTED WITH ONLINE LEARNING-TEACHING TOOLS (JULY 2020-SEPT 2020)

The Department of Computer Science, Mata Sundri College for Women, University of Delhi organized a series of workshop in the months of JULY, AUGUST and SEPTEMBER to introduce faculty members and students with online teaching-learning tools, and encourage them to use similar tools to conduct online lectures effectively, as the time of the hour demanded Work from Home due to the pandemic.

### JULY' 2020:

The Department of Computer Science in collaboration with the Internal Quality Assurance Cell (IQAC), Mata Sundri College for Women organized a Hands-on practical session on “**Enhancing Online Teaching-Learning using GSuite Tools: GOOGLE CLASSROOM and GOOGLE MEET**” on July 15th -16th 2020 from 11:00 AM to 1:00 PM. The organizing team was headed by **Ms. Ashema Hasti** (Convener of the Webinar) and Dr. Manisha Mathur (IQAC Coordinator). The event commenced with a warm greeting by the Convener, followed by the welcome address and words of appreciation delivered by Prof. (Dr.) Harpreet Kaur (Principal MSCW). The cordial speakers of the session were Dr. Nikhil Kumar Rajput and Ms. Bhavya Ahuja Grover working as Assistant Professors in the Department of Computer Science, Ramanujan College. The session majorly focused on the need and role of Online Teaching and Learning Tools such as Google Classroom, Google Meet, Google docs, and Google Forms for conducting virtual classes. The session observed a massive response on both days, with participation from 152 faculties on the first day and 163 faculties on the second day. First day of the webinar covered basics of Google Classroom and was well-moderated by **Dr. Kiranjeet Sethi** (Associate Professor, Department of English). The second day of the webinar talked and discussed about Google meet, Google Docs and Google forms and was well moderated by Mrs. Sonia Aneja (Assistant Professor, Department of Mathematics). The technical aspects of the webinar were handled by Mrs. Sangeeta Pathak (Technical Coordinator) and Ms. Mishika Rawat (Student Coordinator). Participants actively involved themselves in gaining insight on GSuite Tools and numerous queries were resolved during the session. The webinar concluded with insights by Prof. (Dr.) Harpreet Kaur (Principal) and vote of thanks by Dr. Manisha Mathur. The event turned out to be successful because of the massive and overwhelming responses followed through at the feedback form at the end.
