

REPORT ON

ORIENTATION/AWARENESS SESSION ON
“SIGNIFICANCE OF PLACEMENTS & INTERNSHIPS”

Placement & Internship Cell, Mata Sundri College for Women, in collaboration with **Department of Computer Science**, Mata Sundri College for Women organised an **Awareness Session** with an aim to inform about the various activities conducted by the Cell and significance of internships your field of study for successful outcomes after graduation. The session was conducted for Computer Science first year students on **November 27, 2021 from 5 PM IST to 7PM IST over Google Meet** which was attended by **47 students**. The duration of the session was 2 hours.

The session was conducted under the able guidance of **Dr. Kiranjeet Sethi (Teacher In-Charge, Department of Computer Science)** and **Ms Ashema Hasti (Co-Convenor, Placement & Internship Cell)**. The Student Members of Placement Cell **Ms Khusi Singh, Ms. Anushka Purwar, Ms. Srishti Bansal, Ms. Ritika Malik and Ms. Rishika Goyal** presented the data of Computer Science students, who got selected in various internship programs and job placement drives conducted in past 3 years. They also informed about the companies such as Deloitte, Wipro, Srijan Technologies, KnowledgeExcel, etc. that esp. visit our campus for the Bsc Hons students and the annual package/ monthly stipend offered by them.

Both the faculty members emphasized on the role of internships in learning, growing, and most importantly, preparing for professional life and a career. The sessions focused on the need and role of internships in providing a professional experience in their chosen field of interest. Ms Khusi Singh and Ms. Anushka Purwar apprised students about how to register to get notified of various workshops and grooming sessions as well as internship opportunities floated by the Cell throughout the year.

Ms. Ashema Hasti informed that students can apply for internships starting from first year itself. She reiterated that within internships, classroom concepts become real tools of the trade as you interact and learn in a professional setting. Internship experiences are formal, formative, and foundational to a student’s career.

The session witnessed enthusiastic participation by first year students who asked their queries. The session concluded with vote of thanks presented by Ms. Khusi Singh, Student Vice President, Placement & Internship Cell.

Tips for creating a LinkedIn profile as a student:

- Use a professional profile picture.
- Join groups and follow companies that you share an interest in.
- Don't forget to complete your profile! Use it as an extended CV and include as much information as you can to prove to employers that you are a well-rounded individual with a multitude of skills that you could put to good use in the workplace.
- Join LinkedIn in your first year of university so that you can show a progression across your three years of studying.
- Begin building up a strong network as soon as you have completed your profile. Don't just leave your account sitting dormant, make the most of it and start building those all-important connections!
