Report on Online Hands-on Workshop
on
"React Native Technology"
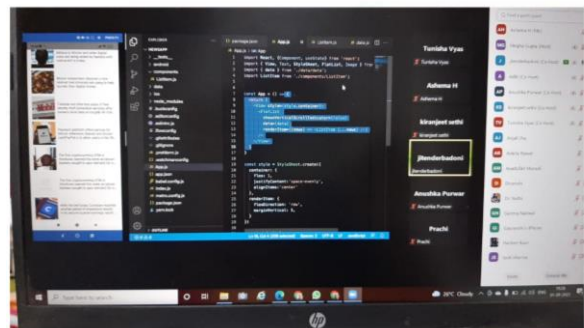

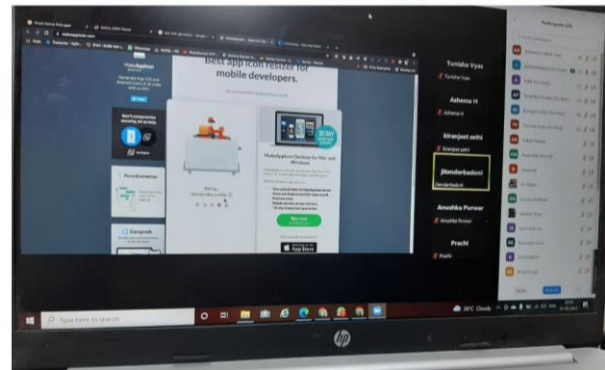

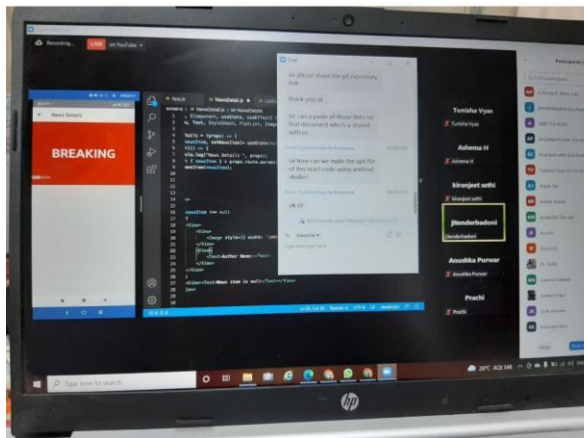

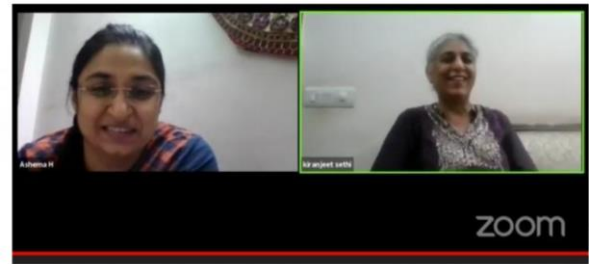

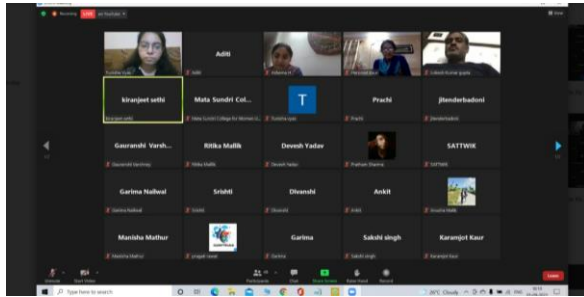

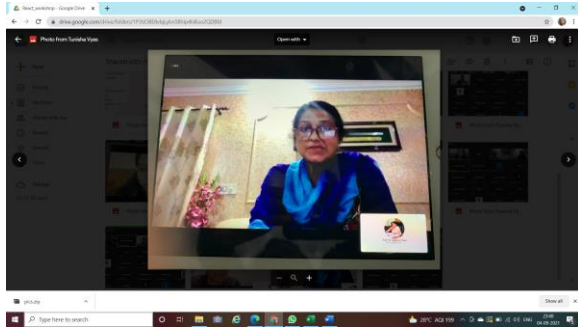

Department of Computer Science and IQAC, Mata Sundri College for Women, University of Delhi conducted online workshop on "Graphics Designing & Front-End Web Development" in collaboration with Trimitr Technologies, on 1st September 2021, from 6.00PM to 8.30PM.

The workshop was inaugurated by Dr. Harpreet Kaur, Principal, Mata Sundri College for Women, University of Delhi. She motivated the participants to make full utilization of the technical skill-set of the Expert Trainer. The inaugural ceremony commenced at 6.00PM with the welcome address by Dr Kiranjeet Sethi, Course Coordinator, Department of Computer Science. She also shared workshop details. Dr Lokesh Kumar Gupta, IQAC Coordinator and Dr. Manisha Mathur told about the various initiatives and collaborations taken up by IQAC and praised the task taken up to create a college app and train the students for the same. Ms Ashema Hasti, Programme Convener introduced the Guest Speaker from Mr. Jitender Badoni, Co-Founder, Trimitr Technologies.

The aim of this workshop was to provide students an opportunity to learn high-demand skills of cross mobile app development. The highlight of the course was hands-on training to participants by Subject Matter Expert from the industry in the area. The workshop was conducted entirely in online mode, after college hours and on weekends, using Online Platform of Zoom. The agenda of this workshop is to learn about react, its development styles, react hooks, flex design native components of the react, API and the library, react navigation and creating iOS app.

There were **66** registrations from students of all departments and they were provided E-Certificates at the end of the workshop. The vote of thanks was delivered by Tunisha Vyas, Student Coordinator. Students gave positive feedback and found it fruitful.
