

SHORT TERM COURSE ON GRAPHIC DESIGNING AND FRONT END WEB DEVELOPMENT (JAN 2- FEB 4, 2021)

A 30-hours online short term course on "Graphics Designing & Front-End Web Development" was organised by the Computer Science department in collaboration with GirlScript Foundation from Jan 2, 2021 to Feb 4, 2021. Classes were held on weekends from 5 PM IST to 8 PM IST over Cisco Webex. **50** students from different colleges of Delhi University enrolled for the same. The session was conducted under the able guidance of **Prof. (Dr.) Harpreet Kaur (Principal), Dr. Lokesh Kumar Gupta (IQAC Coordinator), Dr. Kiranjeet Sethi (Course Coordinator) and Ms. Ashema Hasti (Programme Coordinator)**. Ms Jyoti Balodhi and Ms. Darshpreet Kaur were the Student Coordinators. **The Guest Speakers from GirlScript Foundation were Ms. Anubha Maneshwar (Co-Founder, GirlScript Foundation), Mr Mohit Varu (Co-Founder, GirlScript Foundation), Mr. Dharm Narayan**

(Community Manager) and Ms. Tanya Batra, (Branding and Strategic Manager). In the inaugural ceremony, they briefed about the course created by their team of experts to help participants understand and help them build their career. **Mr. Saurabh Mali (Instructor for Graphics Designing) and Mr. Keshav Singh (Instructor for Front-End Web Development) were the instructors for the online course.** They made students familiar with the basics of designing the world and resolved their doubts as well with patience. This short course provided the participants an opportunity to learn high-demand skills of designing attractive web pages and using Graphics tools in creating and enhancing visualization effects. The highlight of the course was hands-on training to participants by Subject Matter Experts from the industry in the area. The course material was provided in the electronic format along with the Session Recordings. **Course included hands-on-session on the following tools: Graphics Designing + UI/UX using Adobe Photoshop & Adobe XD and Front End Web Development: HTML, CSS, GIT, ReactJS.** Upon Successful completion of the course, participants were provided with E-certificates and assistance in internship/placement in the area of Graphics Designing & Web Designing. In the valedictory function, various projects made by students during the short term course were displayed.
