

Report on ACCOUNTING GST WITH TALLY PRIME

Invictus, the Commerce Society of Mata Sundri College for Women, Department of Commerce in collaboration with NIIT foundation (Tally education partner), organized a one day workshop on "Accounting GST with Tally Prime". The event was held on 20th March 2021 through online platform, Zoom. More than 100 students attended the workshop. The purpose of the event was to enlighten the students on Tally and its features. Tally is a complete business management software for small and medium businesses. Tally Prime helps you manage accounting, inventory, banking, taxation, banking, payroll and much more to get rid of complexities, and in turn, focus on business growth. The Convener of the event was Dr. Ishpreet Kaur Virdi, Assistant Professor, Department of Commerce and Co-convener of the event was Ms. Rameet kaur Sawhney, Assistant Professor, Department of Commerce.

The event started with the college prayer. The Principal was welcomed by Ms. Jaspal Kaur, the teacher in-charge of the Commerce Department of the college. Principal madam addressed the audience with her encouraging words. The event started with a brief yet enriching introduction on basics of Tally Prime software. Then the audience was introduced with the concept of GST- goods and services tax and its basic accounting in Tally. The overall session was educational and insightful. An overwhelming response could be seen in the chat box from the audience whether it was for asking doubts or answering the questions asked by the speaker.

The event ended with a doubt session where the speaker answered each and every doubt of the students patiently and guided us all on how to practice in Tally Prime. The overall purpose of the workshop was achieved and the experience was enlightening for the attendees.
