

ARTHAVRISHTI, THE ECONOMICS SOCIETY
DEPARTMENT OF ECONOMICS
MATA SUNDRI COLLEGE FOR WOMEN

Session on Career in Economics
Date : 26th April '24

Report

The career launcher event was organised by Arthavrishti, the economics society of Mata Sundri College for Women on 26 April, 2024. The event provided the attendants with constructive insights about numerous future career options available after economics.

The speaker of the event was Mr. Navneet Anand, business head at career launcher MBA. His extraordinary demeanour exerts a profound influence on others, wielding the potency to catalyse a favourable transformation in the lives of students through his impactful rhetoric.

In the session, attendees were immersed in an exploration of multifaceted opportunities extending beyond conventional roles in finance. Mr. Anand explained pathways in data analytics, policy analysis, and consulting, underscoring the adaptability conferred by an economics background. Through his guidance, participants gained invaluable perspectives on how to harness their expertise across diverse sectors, thereby nurturing a comprehensive appreciation of the wide-ranging career avenues available subsequent to studying economics.

Conclusively, the session proved to be successfully fruitful and immensely beneficial for the students. The speaker's endeavours profoundly influenced their mindset and imparted invaluable insights, contributing to a positive transformation in their perspectives.
