Date : 3rd October '23

Report

On 3rd October' 23, Arthavrishti , The Economics Society , Department of Economics, Mata sundri college for women, University of Delhi organized an insightful Session on disruptive forces in accounts and finance. The event aimed to provide students with a platform to enhance their skills and knowledge in various domains. This report provides an overview of the event, its key activities, and the outcomes achieved.

The primary objective of this event was to empower students with practical skills and knowledge that would complement their academic learning. The event's esteemed speaker for the day was Mr. Rich Brady, CEO of the American Society of Military Comptrollers (ASMC), which works to promote education, training, and certification; drive financial transformation; and uphold the highest ethical and professional standards.

As an Expert in his field he educates students about the CMA course, its relevance in the business world , and the career opportunities it offers . The seminar intended to equip students with the knowledge necessary to pursue a CMA certification and further their professional development.

The seminar featured presentations from experienced professionals in the field of management Accounting. Students gained a clear understanding of the requirements and benefits of pursuing CMA certification.

An interactive question and answer session allowed students to clarify their doubts and seek guidance. This facilitated direct interaction between students and experts . The seminar provided a platform for students to connect with professionals and alumni. Students could explore mentorship opportunities and build valuable industry connections. Success stories shared during the session served as a source of motivation, encouraging students to set ambitious career goals.

The seminar concluded with a vote of thanks extended to Mr. Rich Brady for sharing his valuable insights and expertise. The event proved to be an enriching experience for all participants.

Arthavrishti, The Economics Society, expressed its gratitude to Mr. Rich Brady for his valuable contribution and dedication in enlightening the attendees about the disruptive forces on accounts and finance. The event undoubtedly served as a stepping stone for students to enhance their capabilities and broaden their understanding.

Overall, the seminar on "Disruptive Forces on Accounts and finance " was a resounding success, leaving a lasting impact on the participants and garnering appreciation from all those who attended.
