- Date: 13/09/2022
- **Speaker:** Ms. Sunita Malhotra, From World Bank
- Arthavrishti has always lauded research in multidisciplinary areas. The World Bank database is one of the primary data sources for research.

- Ms. Sunita Malhotra was invited to illuminate the students on accessing World bank data, to analyze and incorporate into their research. She has been working with the World Bank for more than 20 years.
