SCIENCE

- Date: 13/01/2023
- Seminar took place to encourage students to work with a multidisciplinary approach.
- **Speakers:** Dr. Meenakshi Sinha Swami (Economics Department) and Dr. Moitri Dey (Political Science Department).
- While Dr. Meenakshi articulated the “Implication of a War for Research” points, Dr. Moitri enunciated “Implementations of MGNREGA: Findings from the Field ”.
- Seminar was designed to build interdisciplinary capacity in areas of growing research strength by fostering communication and promoting collaborations among students.
