

Workshop: Online Safety for working women Initiative by IAMAI & Facebook held on 26th April 2020

Convenor: Ms. Neetu Sharma; Co-Convenor: Dr. Moitri Dey

The Department of Political Science organised an Online Safety Workshop for Women in association with IAMAI and Facebook Initiative on 26th April, 2020. The webinar was conducted by Mr. Rakshit Tandon, a Cyber Security Expert and Consultant at IAMAI. Mr. Tandon specifically focused on the areas concerned with cyber security. These include Information Technology Act, types of Cyber Crime, Preventive measures while surfing the internet and the laws which protects us from such crimes. He has explained all the complications and implications of the Web to the students and faculty in a wonderful and simplified way. There were many questions raised by the students and faculties on online safety on social networking, internet banking and online teaching learning process.
