

Sambal Event held on 29.01.2022

Topic: Marxist Political Theory

Teacher Coordinator: Dr. Rachna Kumari Prasad

Student Coordinator: Karuna Sharma

'Sambal' which means support, is an initiative taken up by the Department of Political Science with a view to help Hindi medium students from the department. Every semester 4 – 5 sessions are held. Though the mode of the teaching in the department is bilingual, yet over the years we have found that there many Hindi medium students do face some problems and hesitate to speak during their classes. Sambal' as a society was started in the year 2018 – 19 with objective to help Hindi medium students providing them an exclusive platform where they can freely convey their problems and get them resolved. Students have benefitted from this initiative.

This event was highly appreciated and well interacted with participation of more than 40 students from first year hons and program. Lastly teachers gave their valuable feedback on how to improve this society in coming years.

राजनीति विज्ञान विभाग

हिन्दी संबल समूह

कार्ल मार्क्स के विचार
दार्शनिक भौतिकवाद

*दार्शनिक भौतिकवाद का सिद्धांत
मार्क्सवाद का दार्शनिक आधार प्रस्तुत
करता है। यह सिद्धांत भौतिकवाद (materialism) और प्रजापदताओं को
दार्शनिक पदार्थ (dialectical materialism) के साथ
मिलकर सामाजिक परिवर्तन को
साकार देने का प्रयत्न करता है।

*दार्शनिक भौतिकवाद जड़-त्व को पकड़े
रिक्त तत्व के रूप में नहीं देखता। इसके
कोड़े परिवर्तन तत्व के विचार बदल से शक्ति
असंगी पकड़ी ही इस संकल्पना के अनुसार
जड़-त्व को प्रकृति में ही ऐसे तत्व
(Ideation) और अवस्थाएं (contingencies)
मिलते हैं जो परिवर्तन को केवल अर्थहीन
करते हैं।
