

The Department of Psychology of Mata Sundri College for Women organised a teacher's day event to We celebrate Teachers' Day to show appreciation for the hard work and dedication of our teachers. the entire department of psychology took part in the celebration to honour and thank our amazing teachers for their guidance and support in shaping our lives. All the faculty members were present and the event took place in class room 326.

The room was decorate beautifully and the students presented the teachers with colourful bracelets on their entrance . Many performances were planned including poetry, dance, singing and mimicry. A special segment was held where the teachers were asked to share their fond memories and experiences with their professors. The number of students present were 80.

At the end of the event, a cake cutting ceremony was held after all performances were over and the psychology association members presented teachers with handmade gifts.
